

Rules and Regulations

1. No possession or use of drugs, alcohol or tobacco at any time. This includes vapor products.
2. No weapons of any kind. This includes pocket knives.
3. Students are not to drive any motor vehicle or ride in any motor vehicle for any reason, except as approved by the band directors.
4. Theft, vandalism or the commission of any crime will not be permitted.
5. Sexual activity of any nature will not be allowed.

Violation of any of the above rules will result in the student being sent home by the next available flight at the expense of the student's parent or legal guardian.

6. Students must be in their assigned rooms at the designated time on the travel itinerary and remain there until 6:00 a.m. (unless otherwise indicated on the itinerary). "Lights Out" means no noise and all lights out.
7. Rooms must be left neat and clean upon departure. Your assigned chaperone will pick up room keys and check rooms prior to check-out. Please do not delay departure by having to clean up messes before we leave. If you notice any kind of damage to the room upon check-in, please bring it to the attention of the directors, otherwise you may be held responsible.
8. Chaperones are along for our benefit, assistance and protection. If a chaperone asks you to do something, do not question it, just do it. If you have a problem with this on the trip, comply with the chaperone, then see one of the band directors.
9. You are a representative of our school, the city of Cedar Falls and the state of Iowa, and of course your own families. We expect behavior befitting this honor and responsibility. All school rules and expectations for conduct apply on the trip.
